

Part 1 - GIS-based assessment of riverine flood exposure of settlements in Lokoja, Kogi State, Nigeria.

Part 2 - The assessment is important to me because it is relevant to my work.

Part 3 - Grid3 settlement extent, SRTM, or copernicus elevation, OSM water ways, Grid 3 boundaries.

Part 4 - https://grid3.org/geospatial-data-nigeria?utm_source=chatgpt.com

Part 5 - Create a settlement flood-exposure screening model.
